

Webkinz Newest Secret Cheat Codes

Contributed by J. Midland

Thats right, the newest secret cheat codes for Webkinz World are here. This time get ready to roll in some serious Kinzcash, and find out how to get free items from the Curios Shop!
Day by day, more and more secret cheats for Webkinz World are discovered. Here we will be revealing some of the latest secret cheat codes, as always dont expect them to last long. Get it while its hot!

First lets look at the new Kinzcash secret cheat code, wich is rumored to often yield 10000000 Kinzcash! Power up your Webkinz phone and invite a friend to come to your room, have them decline 3 times. Then power down your Webkinz phone, and power it up again. Then hold ALT and hit f1, let go of the buttons then hit ALT and let up, then CTRL and let up. Then hit ALT again and keep it down, then hit CTRL and keep it down. Now type ^•4099956560o1kinzcashc^•razykinzcashcrazy^•61223^•. Watch it roll in! If your lucky you now have more Kinzcash than you know what to do with.

For the Webkinz Curios shop secret cheat code. Enter and leave it 16 times in a row, quickly. Then enter again. Hold CTRL and pick an item. Now click buy as many times and as fast as you can. Do it for at least 3-5min. (longer the better). Then close your browser using the X in the corner. This will sometimes give you the item you were trying to buy.

This wont last long!
