

Webkinz Cheat Codes

Contributed by J. Midland

A few fresh Webkinz Cheat Codes that have been circulating around lately. A cheat code that will allow you to be on 2 Webkinz accounts at the same time, a furniture cheat, and a cheat for Kinzcash and reportedly sometimes Webkinz

Simultaneous account Cheat Code: Go to your friend phone and type ctrl+ n and you will be able to be on two webkinz accounts at once!!! if you have 2 webkinz accounts.

Furniture Cheat Code: Go to your room and press ctrl+m+g and log off then when you come back on you will have every peice of indoor furniture in the w shop. including the super beds! It takes practice and you have to do it right when you come in.

Kinzcash cheat: Ype 117yur5h in the adoption center and then you quickly sign off and wait two hours you will have more kinzcash and pets, also items.

If you have not, you will need to look at the newsflash at the top corner of this page and read the suggestion. As these cheats probably wont work with another browser.
